

## Quarryman Challenge 5K & 10-Mile Race Rescheduled to November 7, 2020

- **Why is the race postponed?**
  - Due to the COVID-19 Virus and the Executive Orders from the Governor of Illinois, it's in best practice for the safety and health of the public to postpone this race until November.
- **What does this mean for me if I'm already registered for the race that was scheduled for May?**
  - Your registration is transferred to the race in November. There is no need to sign up again. See you on November 7!
- **Can I get a refund?**
  - There are no refunds or cancellations. However, you can transfer your registration to another person on [GetMeRegistered.com](http://GetMeRegistered.com)
- **What if I cannot make the new race date, but still want my t-shirt and race bag?**
  - Contact the race directors at [info@quarrymanchallenge.com](mailto:info@quarrymanchallenge.com)
- **If I already signed up to be a volunteer, what do I do?**
  - You will have to sign up again on the new link.
